

WARDROBES FOR SUCCESS

Clothing Donation Program to Support the Upcoming Workforce & Entrepreneurs

The CCS Foundation is pleased to announce a new joint venture with The Arc of Spokane to benefit students and help them build Wardrobes for Success!

Recognizing that many students are entering the workforce throughout the year and not just after graduation, the CCS Foundation and The Arc are combining forces to offer low- to no-cost professional clothing services on an ongoing basis.

All students with a CCS student ID will be given a 50% discount every day of the week.

In addition to clothing, The Arc offers household items, furniture and books.

WARDROBES FOR SUCCESS
